APPLICANT INTERVIEW SUMMARY

MS Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant would like to thank Examiner Jaison Joseph for the telephonic interview with Applicants' Representative, Greg Gorrie, on August 17, 2007 in connection with the above-identified patent application.

Claims 1, 12, 22-26 and 32 were discussed, and Applicants' Representative agreed to the Examiner's suggestion to amend the claims to correct typographical errors and also to amend the claims to comply with 35 U.S.C. 101.

Applicants' Representative would also like to point out that the Examiner also amended claim 29 in order to correct a typographical error. Applicant agrees with the amendment of claim 29, however, the Examiner's amendment incorrectly identifies the claim as claim 26 (see second instance of claim identified as claim 26, starting at page 7 of the Examiner's amendment).

The Examiner is invited to telephone Applicants' attorney at (480) 659-3314 if there are any questions regarding this paper. If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

ALEXANDER ALEXANDROVICH MALTSEV ET AL.

By their Representatives,
